Joint Research Centre

Summer School on Knowledge and Technology Transfer

The Summer School is intended for early career technology transfer professionals from universities or research centres from the Danube Region Countries (Germany, Austria, Hungary, Czech Republic, Slovak Republic, Slovenia, Bulgaria, Romania, Croatia, Serbia, Bosnia and Herzegovina, Montenegro, Moldova, or Ukraine).

There are a limited number of places for this program and the participants will be selected on the basis of their CV.

To apply, please send your CV to JRC-ENLARGEMENT@ec.europa.eu before 6th of August 2014.

The results of the selection will be communicated mid-August. Every applicant will receive an e-mail specifying whether they have been selected or not for the Summer School. Successful applicants will also receive a personalized invitation.

General Information

Dates: 17th to 24th September 2014

Place: Belgrade (Serbia)

Venue: University of Belgrade and Hotel Queen's Astoria Design Hotel

Costs reimbursement:

Costs for accommodation and travel may be provided at the discretion of the JRC. The applicants eligible for the reimbursement of their costs will be notified with the acceptance letter.

Other information:

Lunch will be provided during the training days.

Social and networking activities will be proposed for the weekend at the participants' expense.

The Opening day (17th September) is open to any technology transfer professional from the Danube region. Attendance to the remaining part of the Summer School is limited to the people who received a personalized invitation.
